Subject: HB 5768 - Bring it to a vote by the Senate!

Senator Rick Jones and Clerk Lauren Michalak:

In June of 2012, Tom McMillin introduced HB 5768, seeking repeal of indefinite detention Sections 1021 and 1022 of the National Defense Authorization Act. It is simply un-American that the NDAA Act allows indefinite detention of our citizens without a search warrant.

I strongly urge you to do what you can to move this out of committee and bring it to a vote by the Senate today. It is imperative that we get this bill passed out of committee and into law!

Respectfully,
Janet Dennings
